# Our Mission

The Three Village Educational Foundation (3VEF) was established in 2004 in recognition of the need for increased support to sustain the traditional level of excellence in the Three Village Central School District. The 3VEF, a private, nonprofit organization, seeks to obtain financial resources from businesses and individuals to support, enrich, and enhance the quality educational program provided to district students. Funds donated to the Foundation are used towards providing students, teachers, and residents with programs and educational resources not funded through the district's annual operating budget.

## Become a Member

Becoming a member of the 3VEF is the perfect way to support the District's tradition of excellence in education and to ensure that the students of today have the tools necessary to become the leaders of tomorrow. Annual membership to the 3VEF costs just \$50. Join now and receive a reusable tote bag bearing the 3VEF logo. Become a sustaining member for \$75 and receive a 44" auto-open umbrella bearing our logo.

### Make a Gift

Your tax-deductible gift to the 3VEF helps us nurture excellence in the Three Village Central School District by providing the resources needed to enhance the educational opportunities available to our students. Donations are used to fund innovative teaching programs, purchase equipment used in the classrooms, and update technology resources employed throughout the school district. To date, the 3VEF has provided funding to the Young Composers Program, the Health, Theatre, and Athletic Departments, as well as to individual teachers in the form of mini-grants designed to help teachers cover the cost of materials needed for inventive additions to the curriculum. Furthermore, the Foundation has donated funds to purchase equipment that helps students at all grade levels and in all of the District's facilities. Donating to the 3VEF is quick and easy as the Foundation can accept cash, checks, and credit card payments.

### Volunteer

The 3VEF hosts a number of fundraisers each year and participates in numerous community events in an effort to draw attention to the Foundation and the needs of our students. Volunteers are always needed to help at our fundraisers, as well as to assist with grant writing, membership drives, and publicity. Become a member and enjoy the satisfaction of knowing that you are making a difference in the lives of our most important resource, our students.

For more information, please email the Foundation at [membership@3vef.org](mailto:membership@3vef.org) or call 1-888-421-5444.
